WATERKEEPER[®]
PARTNERSHIP

Join The Crew.

YOUR OPPORTUNITY TO CREATE CHANGE

Miami Waterkeeper is based on a multidisciplinary approach that leverages science and research, policy and legal advocacy, and community education and outreach. Join us in implementing this proven strategy to tackling the issues that South Florida's waters face every day that has led us to achieve multiple "water wins".

Through the droplets of our work, we create ripples of change in three priority areas — clean water, thriving habitats, and sea level rise resilience.

Our Theory of Change

WE DO THIS:

Science & Research

All of our work—from boots-on-the-ground data collection to advocacy and litigation—is rooted in scientific data.

Policy & Legal Advocacy

Based on scientific evidence, and a grassroots-to-grasstops approach, we draft new legislation, advocate for improvements to existing regulations, and—when necessary—hold polluters and government agencies accountable in court.

Education & Outreach

A community is its own best advocate. We call on all of South Florida to protect our waterways today and to raise the next generation of environmental ambassadors.

TO GET TO THIS:

Clean Water

From the Everglades to the ocean, from the groundwater to reefs, we tackle pollution issues throughout the Biscayne Bay watershed to protect South Florida's waters.

Thriving Habitats

We protect the native ecosystems of South Florida—coral reefs, mangroves, seagrasses, and wetlands—that depend on clean water and help protect our coasts from the impacts of storm surge and sea level rise.

Sea Level Rise Resilience.

Miami is among the world's most vulnerable cities to sea-level rise, so all of our work is guided by ensuring a more resilient South Florida that supports our environment and community, for generations to come.

ABOUT MIAMI WATERKEEPER

With science guiding our actions and fearless advocacy propelling our efforts, we inspire the community to enact meaningful change and create a lasting impact for our natural environment.

OUR MISSION

"We protect South Florida's waters by advocating for resilient solutions grounded in science, rooted in nature, and driven by community."

OUR VISION

"We envision a resilient South Florida that is a global leader in clean water solutions, where thriving communities and nature coexist."

HEAR FROM OUR PARTNERSHIP CREW

Miami Waterkeeper has been able to work with other organizations and the government to actually affect change, and that's why I wanted to be involved in it.

—Ellen and John Levinson

Manatee Level

I really believe that there's a balance that could be created, and that's why I got into working with Miami Waterkeeper. I have four grandsons, and my dream is that they'll have the opportunity to enjoy the water in the same fashion that I did.

—Aaron and Aviva Stauber

Dolphin Level

What differentiates Miami Waterkeeper from a lot of other organizations is their specific focus on policy and execution. As a former vice mayor of a municipality surrounded by Biscayne Bay, we would not have been able to accomplish what we were able to do without the collaboration with Miami Waterkeeper.

—Marvin Wilmoth,
The Wilmoth Family

Starfish Level

WILL YOU BOARD THE PARTNERSHIP?

Locally, Biscayne Bay holds immense potential for recovery and revitalization. Globally, Miami stands at the forefront of climate solutions—where innovative action can protect millions of lives, restore fragile ecosystems, and safeguard billions of dollars in assets for future generations.

Join us in harnessing this opportunity as a member of the PartnerSHIP program.

As a member, you will make progress toward:

- **Clean Water**, taking on issues of pollution to ensure clean water throughout the Biscayne Bay watershed, from the Everglades to our coral reefs.
- **Thriving Habitats**, safeguarding the ecosystems that make South Florida's local environment so special — corals, seagrass, and mangroves.
- **Sea Level Rise Resiliency**, advancing solutions to strengthen our community's resilience to sea level rise and its far-reaching impacts.

With a PartnerSHIP investment, you will:

- **Expand** our knowledge about what affects Biscayne Bay through science.
- **Create** sustainable policies and stop harmful projects through research-backed advocacy.
- **Broaden** awareness about our waterways throughout the community through engaging educational programming.

Protect the water you love. Become a member of the PartnerSHIP Program today!

PARTNERSHIP LEVELS

HONORARY KEEPER - \$100,000

PartnerSHIP crew members sustain MWK's work to protect the water you love. We will recognize your commitment to clean water for a full year in the following ways:

Recognition

- **Presenting** sponsorship of State of the Water.
- **12** VIP invitations to State of the Water.
- **Prominent logo placement** as an **Honorary Keeper** in:
 - Miami Waterkeeper website
 - Monthly e-newsletter (18,000+ subscribers)
 - Organizational collateral (i.e., annual report)
- Recognition as an **Honorary Keeper** on Miami Waterkeeper's social media (22,000+ followers).

Engagement & Insights

- **Private engagement opportunity** (i.e., lunch 'n learn, volunteer event) for your network or employees.
- Invitation to the annual PartnerSHIP Celebration.
- Invitations to VIP immersive experiences (i.e., shark tagging, coral restoration).
- Exclusive bi-monthly **behind-the-scenes** updates.

SEAHORSE LEVEL - \$50,000

PartnerSHIP crew members sustain MWK's work to protect the water you love. We will recognize your commitment to clean water for a full year in the following ways:

Recognition

- **Seahorse** sponsorship of State of the Water.
- **10** VIP invitations to State of the Water.
- **Prominent logo placement** as a **Seahorse** Partner in:
 - Miami Waterkeeper website
 - Monthly e-newsletter (18,000+ subscribers)
 - Organizational collateral (i.e., annual report)
- Recognition as a **Seahorse** Partner on Miami Waterkeeper's social media (22,000+ followers).

Engagement & Insights

- **Private engagement opportunity** (i.e., lunch 'n learn, volunteer event) for your network or employees.
- Invitation to the annual **PartnerSHIP Celebration**.
- Invitations to **VIP immersive experiences** (i.e., shark tagging, coral restoration).
- Exclusive bi-monthly **behind-the-scenes** updates.

OUR IMPACT | WATER WINS

Thanks to our PartnerSHIP crew, we have achieved significant water wins. These include restoring thousands of threatened corals after a harmful dredging project, preventing the discharge of millions of gallons of toxic chemicals into waterways, and passing laws to protect our waterways. Here are just a few*.

*As of January 2025.

PARTNERSHIP EXCLUSIVE EVENTS

PartnerSHIP Members are invited to join us for exclusive immersive experiences, such as those listed below:

Coral Restoration

Work alongside coral researchers to restore local coral populations.

Shark Tagging

Engage in shark research by deploying fishing gear, tagging sharks with trackers, and collecting various measurements and samples.

PartnerSHIP Celebration

Celebrate the impact you have on South Florida's waterways alongside fellow PartnerSHIP members.

State of the Water*

Join a discussion on the latest issues affecting our waterways and connect with fellow PartnerSHIP members.

*Note: While this event is open to the public, PartnerSHIP members receive complimentary tickets.

Coral Restoration
